Vintage Conditions: The 2009 vintage in Mudgee was one of the best this decade, and this wine is a true expression of what we can do in Mudgee. An excellent growing season, followed by a nice dry summer allowed perfect ripening conditions

Winemaking: Tasting Notes: Made through the traditional method of co-fermentation in open vats this wine shows lifted floral, spice and blueberry characters on the nose. The palate is soft with ripe berry fruit flavours and fine silky tannins to finish.
